Never be alone. Especially when you are alone.

The new Mitel 5634 Alarm license keeps vulnerable workers safe.

Mitel 5634 VoWiFi Phone

The stylish yet robust enterprise-grade handset for reliable mobile communication and coordination

- **Mobility with confidence.**
The Mitel 5634 phone makes it easy to make mobile workflows more productive. Features such as outstanding voice quality, a multilingual user interface, messaging capabilities and extensive phone book options help keep users connected to colleagues, events and mission-critical information.
- **Reliable VoWiFi performance and seamless roaming.**
Leverage your existing Wi-Fi infrastructure and gain the reliable VoWiFi performance and roaming capability offered by the Mitel 5634 phone.
- **Smooth device management.**
Enterprise-grade centralized device management allows all settings to be managed remotely
- **Easy to use.**
Bluetooth-enabled headset allows handsfree operation. Large, easy-to-read screen and a light weight (only 135g / 4.8oz) help make the Mitel 5634 phone comfortable to use for even the longest shifts.
- **Protects users and colleagues.**
The Mitel 5634 Alarm model features push-button alarm functionality. Multiple indoor and outdoor device location methods are available for both the Alarm and Messenger variants.
